WHAT
IS A
CHRISTIAN?

Ken Cope fell and broke his hip. He is a patient at Freeman-West. Carolyn Ryan and Cletus Green are recovering at home. Please call before you visit. Jana Swaffar is having more cancer treatments. Remember Beth Brower, Rachel Pyron, Bruce Bowers and Sylvia Garman as they deal with ongoing health issues. Pray for our homebound, our widows and live-alones, those on our sick list and for all our brothers and sisters.

Thank You

Thanks to all who have called, visited and the many prayers sent our way for the recovery of Cletus after his stroke. We are so blessed that he didn't have any paralysis, only a little unbalance and problems with some speech. Cletus is in therapy 3 times a week now for balance and speech and doing much better each day! Please keep praying that he continues to improve.

Carolyn & Cletus

I just want to thank all of you for the prayers, meals, cards, visits, phone calls and so much more during my last knee surgery and recovery. You have blessed my family with your kindness and care through 4 surgeries over five years and we love you beyond measure. Thank you, Thank God!
