Extreme Makeover: Life Edition

Extreme Makeover Home Edition is working in Joplin right now to give 7 families who were victims of the May 22nd tornado new homes! This is really amazing and a huge blessing for our community in the midst of this tragedy. It is inspiring and will bring a new energy of restoration to the city of Joplin!

7 houses in 7 days is a fantastic accomplishment! It obviously will require a huge amount of horse power and man power in order to be accomplished. It also requires over 5 designers and project leaders.

But there is another construction project going on right now that began with one breath (“It is finished.”) and only has one designer (God) and one builder (the Holy Spirit). This construction project is reshaping the world that it may be renewed and be a house that only God can live in. That house is us!

“Therefore, if anyone is in Christ, he is a new creation. The old has passed away; behold, the new has come.” 2 Cor 5:17 Tye

Pete Ramon is home following knee surgery. Humana denied Steve Adams transplant at MD Anderson and he is seeking help at Baylor in Dallas. John Meyer will be at Joplin Health and Rehab on West 32nd Street in Joplin for the next two weeks. Pray for our homebound, our widows and live-alones, those on our sick list and for all our brothers and sisters.

The Thursday visitation teams will meet at the building at 10 am October 27.

All Imagination Station Crew!

There will be a very important meeting right after services this morning in the Imagination Station room.
