Encouragement and Counseling Ministry

Are you growing or are you feeling more stuck and stagnate than you once imagined possible? I'm not trying to "get on your bad side" but when is the last time something went wrong and you owned up to your part of the problem? If we are unable to accept responsibility for our part of a mistake, humble ourselves and honor others, then we become increasingly more "numb and fixed" within our own perspective.

Giving accurate information and taking responsibility for our actions are what spiritual growth and redemption "looks and sounds like" and are its "movements and gestures". When redemption is working in our lives, we pursue the truth even if it "gets us in trouble". We do not "seek our own," but are open and responsive to others. Imagine the radiance and strength working within a person who is able to apologize and say, "Will you forgive me?"

Ralph

As Thanksgiving Day approaches, we realize many members of our church have family away from here. We would like to share a traditional Thanksgiving dinner with you. We are inviting those who would like to join us to come for dinner at noon on Thanksgiving Day at the church building. We would like an approximate number so we can prepare enough food. Please sign up on the bulletin board if you plan to attend. If plans change and you have not signed up, come on anyway. If you need a ride, let us know that also. For any questions, call 451-5174. Hosting this will be Brenda Baker, Phyllis Collinworth and the Davis Family.

Betty Watson has been diagnosed with lymphoma and will be going home with hospice care. Lesta Butler has pneumonia and is at Freeman-Neosho. Remember Jana Swaffar as she continues chemo treatments. Sue Hughes is still having some problems following her heart surgery. Pray for our homebound, our widows and live-alones, those on our sick list and for all our brothers and sisters.

Fair Haven Children's Home

Teachers And Helpers Needed

Teachers and helpers are needed for the younger children. We have three classes from 18 months through first grade: 18 months through 3 years, 4 and 5 year olds, and Kindergarten/1st Grade. If you haven't taught before, would you consider teaching now? Grab a friend and create your own team. The more volunteers we have, the more enjoyable the experience. If you are willing to teach or help in one of these classes, see Beverly Davis, Alma Stipp or Phyllis Collinsworth.
