### Thank You

Thanks to all who helped with food preparation, child care, greeting, advertising, hospitality, media table, clean-up, and all during the Relationships Matter Seminar. Thanks to Jerry and Lynn Jones for 12 hours of fantastic learning experiences!

A huge thanks to all who participated in Trunk or Treat. The kids truly enjoyed the hayride and treats.

You were with us every step of the way these past few difficult weeks. When we needed your love and emotional support, you were there to respond with open arms. You are very dear to our hearts. We do want to express our sincere thanks for the food provided, for the lovely spray of flowers sent by the church, and for all the cards with messages to warm our hearts.

With Love, Donnis and the Luck family

We cannot thank you enough for how well you have cared for me and my family during my recent surgery and the loss of my father. Your prayers, cards, food, visits, and so much more have been gifts from God that have aided in my recovery and my grieving. We are part of the most giving church family and I can never thank you all enough, but I can tell you how much I love you and how much more blessed I feel God led us to Rocketdyne Road and to be a part of the family. God bless each and every one of you,

In Christian love, Cheryl and Brent Marion

Thank you so much for all the prayers, flowers, and food shared with us during the death of my father. I don't know what we would have done without you!

The Family of Kenneth Lewis

We thank you from the bottom of our hearts for the effort put into the recent fund-raising activities for Neosho Christian School. The booth at the Fall Festival was a great success. We also appreciate the attendance and participation at the Labor of Love Auction. We struggle to make ends meet and you've been a great help. NCS is a local mission that you can be proud to support. Please know you are greatly appreciated.

David Morton will be taking family pictures Sunday November 18 and Sunday November 25 to put in our on-line photo directory. The background will be black so you might want to wear something colorful. We have many families who were not attending Rocketdyne when the last photos were taken and we would love to have your pictures in our directory. Other families may need an updated photo because you

have a new baby, or children have grown, or maybe you just want a more recent picture in the directory. Please see David to have your picture taken November 18 or 25. He will be taking pictures in the family room.

The Junior and Senior Youth Groups are working together again this year to bless several families with food baskets for the holiday season. We will be accepting donations of food and money in order to help put these baskets together. If you know of a family in need in our area, please see Tye or Jon Reagan.

The youth group will be raking leaves to raise money for their Relay-For-Life team this year. Please contact Tye or Logan if you would like to have your leaves raked and donate to this project.
