A Knight's Tale

Once there was a small band of young knights who embarked on a mighty quest. They were in the pursuit of learning about reading, writing, arithmetic, and most importantly, God. They worked and studied and in no time were well on their way to higher levels of knowledge. However, they could not do it alone. They needed the help of many who encouraged them along the way. If you would like to help these young Neosho Christian School Knights, please support the Labor Of Love Auction on November 14 at the Civic. More info on the bulletin board.
