The Author

The idea that Jesus is the author of life is powerful. Peter calls Jesus the “Author of Life” in his sermon recorded in Acts 3:15. The writer of Hebrews declares that Jesus is “the Author and finisher of our faith...” (Hebrews 12:2).

Jesus’ story is better than any story ever told. It is true and it is HIStory. His story is epic! The Bible clearly points to this truth from beginning to end as the key theme of all scripture is Jesus. And Jesus has made it possible for all of us to live better stories as we are blessed and saved by his story!

A closer walk with Jesus is the realization that our stories are broken without His living into our stories. Jesus so entered into our stories by becoming like us in character, becoming human. This means that the Author decided to make His story even better by being willing to not only become a character, but to enter into the conflict of the story in such a way that ultimate resolution is possible!

You and I get to live in an amazing area of the story. The ultimate conflict (the destructive nature of sin) has been resolved in the death, burial and resurrection of Jesus. We know that the victory has been won! We currently live in the resolution of the story. Sure there is still conflict (as sin is still possible), but we know that the victory of the story has been won and will be fully revealed when Jesus comes again! So we pray, Come Lord Jesus (Rev 22:20).

Join us as we explore the nature of Story today to better understand the glory and grace of our savior Jesus Christ! He is truly the “Author and Finisher of our faith!” Tye
