### Weekend of Praise

One of our purposes for living well and in right relationship with God is worship. Everything we do that is good and holy is praise and adoration to our Creator who made us in His image. And sometimes, we need to take special times together to sing praises to our God even more than we normally do because He deserves it and it blesses us as a family of God.

You see this in the story of God's people. We are a people that sing to God regularly and record and share God's mighty works in song. We can read the songs shared during the time of Moses when they realize God has freed them from slavery, that God has given them water from the well, and when God has paved the way to the land of Promise. King David produced many psalms of praise that were sung by the people during pilgrimages to Jerusalem and times of thanksgiving. Ezra and Nehemiah sang with the people during the rebuilding of Jerusalem and the temple. Jesus and his disciples sang after the Lord's Supper on the night he was betrayed. The Apostles met with new believers to sing that Jesus is risen. And believers continue to meet today to praise God as they follow Jesus.

Let us join in this great purpose of praising God as we worship together today!

Tye

We want to welcome those visiting with us today. We are so happy you are here. You are our honored guests! We hope you experience the presence of God today.
