Encouragement and Counseling Ministry

The message from Tye on Sunday regarding God as Creator was thoroughly illuminating, meaningful and enjoyable. The more we allow God to access every aspect within us, we are able to increasingly understand and experience His creative wonder, glory and holiness. As the Holy Spirit and living Word (Jesus), renew us on a daily basis, we are able to establish closer, deeper and more meaningful relationships. Even our efforts toward increased productivity (work) and during other times of solitude are enhanced as He creates a deeper appreciation of life within us.

There are times when "the road seems long" and circumstances appear "raging around us". Yet, as we become aware of our resistance toward being quiet and acknowledging His presence, God begins to create His peace within us.
