JUST A MATTER OF TIME

It's just a matter of time until the last chapter of history is written.

Then it will become obvious.

All the stories are about Jesus!

Yours and Mine too.

And did you know...every person who ever lived is a believer in Jesus.

Even atheists!

Every knee will bow and every tongue will confess that Jesus is Lord.

It's just a matter of time.

A NEW YEAR'S RESOLUTION YOU CAN LIVE WITH

About three days...

That's how long most of my New Year resolutions survived. (lol)

But spending every day with Jesus is a resolution that's doable.

That's because Jesus is already with us every day, all the time.

Just as He promised, "I will be with you always."

So...if we acknowledge His presence and learn to live in personal relationship with Him, we will naturally grow in knowledge of Him.

This will change our lives to become more like His.

And that's a resolution everyone can live with.

ARE WE LISTENING

Luke 20:45-21:4

While all the people were listening, Jesus said to his disciples...

Jesus is speaking to everyone every day, but only those who listen actually hear what He's saying.

Are you listening?

It's never easy.

Messages vie for our attention everywhere we turn.

Signage on the roadsides. Voices of those around us. Even our own busy thoughts of the day rise to drown out the voice of the Teacher.

And we even purposely choose much of the distracting and competing messages that bombard us. We turn on the radio, television, computer screens, ipods...

To really listen to the Teacher requires shutting out some of the noise of our lives. Taking time – finding time – for a personal relationship with Jesus.

Not only in special times set aside for that purpose, but even in the hectic moments of the day.

Why?

Because we have come to realize the value of the Teacher's wisdom!

And that's what good friends do.

Are we listening?
