Living Into The Promises Of Jesus SAFETY

Isn't it amazing just to think about it?

Jesus leaves heaven, comes to earth, reveals the character of the Father, teaches life-giving truths of heaven, ("Thy will be done on earth as it is in heaven," He said.) gives His life for our sins, overcomes death by His resurrection, ascends to heaven, sends the Holy Spirit, and now reigns with all power!

And what of all the promises (by some counts over 200) He made to those of us who follow Him?

One of the promises meets our most basic need – the need to be safe and secure.

Today we explore the security Jesus promised and provides us. We find in this safety a place of peace. An environment where growth to become more like Him can happen no matter what's going on in our lives or around us.

May God bless us to live into this promise with increasing faith in His ability to keep it! Denny
