“Every member a minister...through service”

JANUARY 8, 2012

Steve Adams' transplant process went very smoothly and he is doing well. Pray for our homebound, our widows and live-alones, those on our sick list and for all our brothers and sisters.

Construction Begins

To become like Jesus is more than adding Christ-like attributes to our character. Sometimes, we must first get rid of some of the bad habits and old ways of doing things in order to make way for the positive changes.

So it is with the changes we hope to make in our facility here. We must first remove some of the old construction that isn't compatible with the new changes we hope to make.

And as you can see this morning, the re-modeling has begun!

The gymnasium is the temporary home for some of the furnishings and materials removed from some of the areas that will be changed.

Also several walls and ceilings in the classroom area have been removed this week. Those areas are blocked off with temporary barriers because of nails and other rough edges that pose a danger, especially for children.

Thank you for your patience during this phase of construction.

More Important Than Our Building!

As blessed as we are to have our present facility...

As blessed as we will be to have our new and improved facility...

We are more blessed to have the people we have in our fellowship!

And let us never lose sight of the importance of every single person we meet.

One soul is worth more than the whole world.

Every person we meet is someone Jesus loved enough to die for.

Hey, don't get me wrong! God is blessing us with a great place to work and worship. I am grateful for and proud of what God has provided for us here.

But let's resolve to use this building as a tool to reach out to people, to love and bless people, and to value human life.

Thank You

Thank you so much for providing food for the hospitality room. It was absolutely delicious! We are so very grateful!

Temporary Facilities

During the remodel, starting **Wednesday, January 11**, we will be meeting at 915 W. Harmony (Old Scholastic Facility) between Dollar General and Crown Video and across the street from Orschelins. We will use the west half of the building until our building is remodeled.

Character Trait For January

Temporary Worship Location

While demolition has begun here at 1111 Rocketdyne Road, preparation for classrooms and worship space at the old Scholastic Building on Harmony Street has also begun this week.

Thanks to all the deacons and others who showed up to build a wall between the space we will be using and the existing business currently in the other half of the building. They also framed up a small classroom to add to the classroom space already available there.

And thanks to everyone who will be working with the temporary sound system, preparing the pulpit area, cleaning classrooms and bathrooms, moving in the chairs, and many other things necessary for us. We are blessed to have so many willing hands.

We will begin meeting on Harmony Street this Wednesday, January 11th, and continue there until we can come back home.

There are approximately 200 parking spaces at the temporary location, so parking should not be a problem.

Our sincere thanks to Gary Spicer for donating this building for our use during our re-modeling! It is a great gift and blessing for us.

INVITE SOMEONE TO VISIT US AT OUR NEW TEMPORARY LOCATION.

Such a super Sunday worship! We had 37 children in attendance. We learned from Aunt Nanny Bird and Auntie Beth that Jesus knows our name. Thanks to all who helped and blessed our children.
