The Way

Have you ever missed out on something good in a trip because you were too focused on the destination?

When I was young, my family moved from Illinois to California. My Mom, Sister and I traveled in our little '85 Subaru GL cross country and my Grandma joined us to help out with the trip. I do not remember who told me that we were going to be living near Disney Land, but I know someone let me know in order to make the trip more bearable for me (they were trying to stop my whining). So as we traveled, I imagined Disney Land. I thought about what we would see there, and what rides I was brave enough to go on. These imaginations greatly distracted me from the trip I was already on, and I missed out on a lot.

I have since made the journey across country several times and have found out that I missed out on a lot of good during that first trip. I have ultimately found that travel can bless the destination with story and memories as well as hope for what the destination will be like.

As we walk with Jesus on this journey now we have a great hope of eternal life to come. When we focus too much on the destination that we miss the beauty of the journey, we miss the truth that Jesus is with us in both the destination and the journey. Our destination is eternal life because in Jesus we have eternal life now! Tye

WHAT'S HAPPENING
NEWS
 IN THE YOUTH GROUP

We have had a full classroom the past two Wednesdays and I think that is awesome! Thank you to everyone who has been coming out as we continue our series on Love, Dating, and Marriage. We will wrap up this Wednesday by looking at God's design for marriage, and how we can start now as teenagers to be preparing for that type of relationship.

Also this week, we are heading for CHRISTeensFriday the 25th. We are leaving from the church parking lot at 4:30pm!! Cost is \$45 (\$60 if you want a t-shirt) Bring money for 4 meals as well. I will be sending out a packing list as well to those who have registered. I do have a few spots still open if anyone wants to join us at the last minute. If you have any questions, feel free to reach out to me. We will return around 4pm on Sunday, February 27th. Prayers for safe travels are always appreciated!

More snow days for most of you this week on Thursday! Then, as of writing this article now, almost 70 degrees on Monday! Before plummeting back to under 30 degrees by midweek. Got to love our weather around Missouri! I hope everyone stays safe this week. Praying for good weeks! Zac
