### Encouragement and Counseling Ministry

What is going on around you when you experience strong feelings of isolation and/or loneliness? Students and those with certain job responsibilities are sometimes required to focus for long periods of time regarding a task, assignment or mission. They may "go inside themselves" with great concentration for prolonged periods of time until a satisfactory resolution has been accomplished. Though frequently unreported, they experience certain levels of fatigue, feelings of being separate and alone.

In Daniel chapter ten, scripture shares how Daniel experienced great distress regarding a conflicting message. He was separated from his family and homeland. Due to disturbing circumstances, he spent twenty one days in mourning and constantly sought God's assistance. In verse twelve of chapter ten, a mighty host of heaven appeared to him and said, "Do not be afraid, Daniel, for from the first day that you set your heart on understanding this and on humbling yourself before God, your words were heard, and I have come in response to your words". "But the prince of the kingdom of Persia was withstanding me for twenty-one days... then Michael, one of the chief princes, came to help me... Now I have come to give you an understanding of what will happen to your people in the future..." Daniel was strengthened.

Currently, this extremely cold, icy and prolonged winter has a tendency to facilitate feelings of isolation and aloneness. This week connect with someone and express appreciation, understanding and encouragement. Keep the people of Ukraine, refugees of Syria and those in Afghanistan in your prayers. Ralph
