Maxine Austin is at Medicalodge for therapy. John Meyer's broken ankle is healing but he has to wear a boot and use the magnetic therapy for three more weeks. Karen Lewis is home from the hospital. Pray for our homebound, our widows and live-alones, those on our sick list and for all our brothers and sisters.

There is a Moses Basket by the coat racks to welcome baby Liam Charles Sanny, son of Kaleb and Tiffany. Cards and gifts may be placed in the basket until March 18.

Benevolence Need

The Benevolence team is working with a Christian man who needs work. If anyone has odd outside jobs, please call Clista. He is a good worker and has been working as Lee Embrey's caregiver.

Bright Futures

About 3,000 backpacks of food have been sent home with students this school year. At the last Advisory Board meeting, the level of funding for the rest of this year is good so the board voted to expand the program by 20 students at one of the schools which had been hardest hit by cutbacks in the program last fall. Food For Thought is the most expensive program that Bright Futures currently helps with but thanks to all the faith based partnerships and generosity of the church families the program is able to continue to benefit our students! The Rocketdyne Road church family recently contributed \$1,200.00 to provide cereal for these kids.

Chili Supper

The Senior Youth Group is hosting a chili supper Saturday, March 2, at Benton Elementary School beginning at 6 pm. If you bring your own chili you can enter the chili contest. Categories are Spiciest, Most Unique, and Overall Best. There is no fee but donations will be accepted and appreciated. All proceeds go to Relay For Life. See Tye Zola or Logan Stark if you have questions.

Building Progress

Things are moving along at 1111 Rocketdyne Road. The framers are gone and the sheet rocking crew is busy taping and finishing the walls. Electrical, Plumbing and Heating and Air crews are hard at it. The new electrical service should be in late next week and the crane should be coming to lift the new Heat and Air units onto the roof for installation. A project of this magnitude requires patience and persistence. Here's hoping for some time in May, but who knows it could be sooner.

Regardless of how long it takes to get the job done, I am confident almost everyone will be extremely pleased with the excellent use of space this remodeling project will give us. It seems we are gaining in every respect, larger auditorium for sure, as much or more foyer space, as well as equal kitchen and classroom space. Taking out two hallways gave back a lot of space.

The Humility Of God

Is God humble?

We know that Jesus as a man was humble, but what about God?

There is a sense in which God seems to be humble. He created the world and yet doesn't put His name on it. He sends the sunshine and rain and requires no acknowledgment.

Many have certainly done a lot less impressive things and demanded more attention.

Yet God, well ... He's God and even so seems to hide himself, content to be found and appreciated by those few who choose to seek Him. That seems humble to me.

Thank You

I want to thank everyone for the cards, flowers, calls, visits and especially prayers for me while I was in the hospital. Maxine Austin
