I Am the Bread of Life

Historically, we know that bread was central for the formation of early human societies. It was a great source for nutrition and could be carried easily. It took only a few ingredients, a few tools and some heat to prepare. Bread allowed people to live a more stable life, together.

As Israel wandered through the desert they grew hungry. God heard their need and responded to it by giving them manna, bread that came down from heaven. Their temporary need had caused them to grumble and complain, remembering that bread was available for them in Egypt where wheat had been cultivated and the ingredients for bread were plentiful. Hearing their complaints, God could have made fields of wheat spring up in the desert as he had made water come from the rock. He could have cut large grind stones from that same rock for them. Yet, God chose to gather them as His people in another way. His way was to remind them that He is leading them on a better Way. His Way!

“He humbled you, causing you to hunger and then feeding you with manna, which neither you nor your ancestors had known, to teach you that man does not live on bread alone but on every word that comes from the mouth of the LORD.” ~ Deuteronomy 8:3

Thank You

I want to thank everyone for the food, cards, calls, texts, and prayers for me as I recovered from my fall.

In Christian Love, Sherry Southard

I am so grateful for each remembrance of my 90th birthday. Thank you so much. Love, Clista

Easter Food Baskets

Last year, our church made the decision to pause our annual holiday food drive until Easter. A corral is set up near the front door to collect donations for an Easter dinner. We need the following items: canned green beans, canned corn, Jello, cake mix, frosting, cookies, gravy, and dinner rolls. The church will provide a ham, potatoes, eggs, milk and butter. If you have the name of a family who would benefit from an Easter food basket, please let Earl or Zac know. Thank you.

It was very nice for Abbie DuBois to visit us on Wednesday night during Bible Class and talk to us about OCU: Oklahoma Christian University. She even bought dessert for the 15 of us who could go to Braum's after Bible Class!

A similar thing happened last Sunday from an anonymous donor: the 6 Juniors/Seniors who attended Bible Study after church were treated to a free lunch from Pad Thai! Thank you for your support of our Youth Ministries! Our kids are very blessed and very loved here at Rocketdyne!

I've had a lot of fun the past two weeks bowling and getting dessert with everyone after church!! I am sad that we have wrapped up our Spring Break Nights, but there is serious discussion of picking back up our hangout times after Bible Class on Wednesday nights once summer begins!

Coming up: this Friday, April 1st, Neosho and NCS are out of school for the Neosho City Wide Garage Sale weekend. We are planning a trip to go to Silver Dollar City that morning. We will leave around 9am. I know other schools may be in session, but all 8th-12th grade students are welcome to join. Please let me know today if you are interested in coming. You will need money for two meals and a ticket/season pass.

I've said it once, I'll say it again: Spring Break Nights makes me so excited for our summer plans!! Bring on the warmer weather!! And come on Summer 2022!!! Have a blessed week everyone!! I'm praying for you!

I am the living bread
which came down out of heaven;
if anyone eats of this bread,
he shall live forever;
And the bread which I will give is My flesh,
given for the life of the world.

John 6:51
