Outreach Offering

Sunday, May 19, a special Outreach Offering will be taken up to help us dedicate ourselves to greater service in our community and beyond. Some of the money collected will be used in the following areas:

Bright Futures - A school program providing food for hungry children in Neosho.

Christian Counselor on staff - Salary for Ralph Madill as there is no charge to clients who come for counseling.

Church of Christ Disaster Relief - Nashville, TN, group that responds to disasters nation wide.

Women Of Worth

W.O.W. will begin a new book study April 7 at 4:30. We are a group of divorced, widowed, or single ladies who meet each week to study, pray, and encourage one another. In our new study we will be learning to use the book of Ephesians as a road map to pick our path - It'll Do Lane or God's Immeasurably More. Join us at 4:30 in room 6. Brenda Baker

BREAD AND WINE

To save the world, God sent a Baby. To reveal His Kingdom, Jesus called for a little Child. To take away sin, Jesus went to a rugged Cross. To overcome death, Jesus left an Empty Tomb. A baby, a child, a cross, an empty tomb remind us that the power of God is often expressed in surprising ways.

He chose the lowly things of this world and the despised things...so that no man may boast before Him. (I Corinthians 1:28)

Each Lord's Day, as we eat and drink the simple emblems of unleavened bread and fruit of the grape the lesson comes home again. The power of this remembrance of Jesus is not in lavish display or any other grand ideas we usually associate with a great memorial.

The poorest soils in the world can produce these simple elements and the most technologically challenged people can set this table. No, this isn't my idea or even yours. We would make it much more spectacular. Jesus deserves better!

But wait! This is Jesus' own idea for His memorial and it's purposeful on His part.

Our eyes are not to be dazzled by the memorial itself. We are not to get caught up in the hype. We are to remember and see Jesus as we eat and drink.

Throughout history, people have made much bigger deals over much less than dying for the sins of the world and conquering death. In fact, what Jesus did is such a big deal that no matter how "big" we would attempt to go with a memorial - It is HE who still would and should stand far above it.

A baby, a child, a cross, an empty tomb and bread and wine... In these simplicities He is most impressive and our relationship with Him can be best nurtured.
