Rocketdyne Road Church of Christ
“Every member a minister...through service”

www.ccneosho.com

Jerry Haight is home following back surgery. Lucy Beeson had her tonsils removed last week. Remember Shane Dockins, Carolyn Ryan, Ken Cope, Bruce & Glenda Fullerton, Jana Swaffar, Rachel Pyron, Sylvia Garman, Gladys Wilson, Don Johnston, Melva Tremaine, and Bruce Bowers as they deal with ongoing health issues. Pray for our homebound, our widows and live-alones, those on our sick list and for all our brothers and sisters.

Family pictures in our on-line directory need to be updated. Children have grown, babies have been born, we have new members, and some of us have gotten older. Kathy Reynolds will be taking pictures **TODAY** and every Sunday morning during the month of April. If you are new to the family at Rocketdyne Road and have not had your picture taken or if you just need an updated picture, see Kathy after morning service in Room 7 (across the hall from the library).

Encouragement and Counseling Ministry

Life has many “twists and turns.” James Dobson of Focus On the Family has indicated that every five to seven years individuals, families and even churches experience a different phase where adjustments are needed. Sometimes, in a new and different phase as familial and/or spiritual family members, we share interesting insights and are inspirational with one another. Then at other times we demonstrate how we are so very different from one another in personality, timing and perspective.

As a son, husband, father and grandpa, I have desired both a strong familial love and a deep and abiding love (Spiritual Love) instead of just having an in-law or extended family member relationship. I know the husband/wife and the parent/child relationships are exclusive, but I wanted a personal relationship with grandchildren (if it develops) and daughter-in-laws (if possible). I will not take up much of their time, because parents in their thirties are so very busy.

When disagreements arise in both familial relationships and spiritual relationships, we sometimes assume words spoken and phrases have the same meaning for both of those who spoke and those who heard what was said. Instead of checking out our assumptions for accuracy and trying to work toward an agreement, we may harbor negative feelings that produce more distant relationships.

Personally, my mind, heart, spirit and soul need mercy in order to breathe and to continue deep and abiding love relationships. I do not want to be anywhere or have any continuing relationship where I am unable to access redemption through Jesus for my life. Supportive family relationships are tremendous, but a deep and abiding love of God is essential for life.
