Roger Zartman is in Room 4223 at Freeman-Neosho following knee surgery. Darrel Markley had back surgery. Sherry Kent was in the hospital last week. Pray for our homebound, our widows and live-alones, those on our sick list and for all our brothers and sisters.

Thank You

Sylvia had an MRI 90 days after radiation treatment for brain cancer. Images showed no tumors were there at this time. Thanks for the many prayers.
