All Scripture is God-breathed

and is useful for
teaching, rebuking,
correcting and training
in righteousness,
so that the servant of God
may be thoroughly equipped
for every good work.

2 Timothy 3:16-17 NIV

The Way

That which was from the beginning, which we have heard, which we have seen with our eyes, which we looked upon and touched with our hands, concerning the word of life—the life was made manifest, and we have seen it, and testify to it and proclaim to you the eternal life, which was with the Father and was made manifest to us—that which we have seen and heard we proclaim also to you, so that you too may have fellowship with us; and indeed our fellowship is with the Father and with his Son Jesus Christ.

And we are writing these things so that our joy may be complete.

1 John 1:1-4

In the midst of a world of persecution, crime, danger and loss, the early Christians sure spoke a lot about joy. They lived with hope and fellowship, worshipping God together with good lives. They were excited to tell others about why they were happy. And, they weren't quiet about the fact that the world was hard. They spoke about life being good in the midst of it.

The Apostles often wrote from a position that the source of this joy was from knowing and studying God's Word. They used scripture (the Old Testament) to share how good God is and that those who trust in His ways live good lives. And they declared that Jesus is the physical manifestation of the goodness of God's Word. This truth spread like wildfire!

Today, you can live with the same joy. To know the love of the Father's guidance to live well, the joy of following His Son as the manifestation of His love, and to be full of the Holy Spirit is the joy that has blessed so many lives.

So the question you should ask yourself is this: Do you study the Word of God because you feel you have to, or because you love His Word and the joy it brings to your life?

Camp Rocketdyne LITE was this week! We had FOURTEEN 4th-7th Graders helping with service projects at the Neosho Christian Schools and Stapleton Elementary School in Joplin for 3 days. We ate Chick-Fil-A the first evening and then had a "Dive In" on Tuesday night. (Like a drive-in movie, but watching from inflatable swimming pools filled with pillows and blankets instead of the back of cars since they are tweens and can't drive!) So much fun and hard work from both our teens and tweens the past two weeks!! [Photos below]

We had 17 sign up for our Secret TNT Kickoff this past Thursday! We were the first to watch the new Jurassic World movie a day earlier than everyone else!! Thanks to all those who attended. I hope you had fun and were pleasantly surprised!

This week's TNT will be a Float Trip on Thursday, June 16th, weather permitting, from 2PM to around 9PM. We are limited to the first 12 teens who sign up to use the canoes; but you may bring your own kayak if you provide transportation. Tye Zola will be leading this event as I will be out of town this week. So please RSVP with him. If you have any questions, please contact Tye.
