Summer Series

We are excited to announce that we will be blessed on Wednesday evenings this summer by speakers from all around our area! Ron McCleary and Denny Kruse will be introducing the series "Strengthen Our Faith" on Wednesday, June 4.

Need To Strengthen Your Faith?

You might feel like you are the only one. But you are not. This side of heaven — every believer has times when his or her faith is weak. What does weak faith feel like? When I'm weak in faith –

- I can doubt God's forgiveness.
- I'm not sure God loves me.
- I don't believe God is in control.
- I am tempted to pursue sin more than Jesus.
- I worry about the future.
- I feel discouraged or blah.
- I lack spiritual motivation.

And when faith is weak, we can feel like nothing will ever change — that we'll never again be strong in faith or feel close to God.

The good news is that no matter how weak your faith, God has the power to strengthen you.

You can see that in –

Mark 9:24 — where a man prays "I believe, help my unbelief."

Ephesians 3:16 — where Paul prays that God would strengthen the faith of the church in Ephesus.

Luke 22:31-32 — where Jesus prays that Peter's faith would be strengthened.

The One who spoke a Universe into existence, who raised Lazarus from the dead, who brought Jericho's walls down — He can and will strengthen your faith. But How? Pray and ask Jesus to help your unbelief. Mark 9:24 and Hear the Word of Christ. Rom. 10:17.

Encouragement and Counseling Ministry

We have spoken of the importance of developing trust and intimacy in the beginning 18 months of a person's life. This ability to trust is the basis of individual personality and identity development, the formation of a conscience and the model for future relationships. In a dependent and reciprocal relationship they give and receive love as a natural part of life.

However, at approximately two years of age, parents observe a noticeable change. Very normal and everyday requests are made by parents and the toddler responds by saying, "No". If a "line is drawn" the toddler has a tendency to step over it while gazing into the eyes of their parents. Parents begin to make prioritized requests focusing on what is truly important for the success of their child and a healthy relationship. Actually, this is a vital stage of development involving initiative, autonomy and an exploration of their immediate environment. Over a period of time they gain a sense of "what works, what is true and what is valuable".

In 1 Peter 1: 22-25, it is written, "Since you have in obedience to the truth purified your souls for a sincere love of the brethren, frequently love one another from the heart, for you have been born again not of seed which is perishable but imperishable, that is, through the living and abiding word of God. For, all flesh is like grass, and all its glory like the flower of the grass. The grass withers, and the flower falls off, but the word of the Lord abides forever". Ralph
