## Rocketdyne Road

*“Every member a minister...through service”*

JUNE 23, 2013

*Our Father in heaven,  
Hallowed be your name  
Your kingdom come. Your will be done on earth,  
as it is in heaven.  
Give us this day our daily bread.  
And forgive us our debts  
as we forgive our debtors.  
And lead us not into temptation,  
but deliver us from evil:  
For yours is the kingdom,  
and the power,  
and the glory, forever. Amen*

Brad Markley is having health issues while undergoing chemo. Also pray for Darrel and Sheila as they deal with their son's struggles. Yvonne Thurman fell and is home after having surgery on her new hip. Pray for our homebound, our widows and live-alones, those on our sick list and for all our brothers and sisters.

### Thank You

Thank you! Those two words seem quite inadequate to express how much I appreciate the prayers, hugs, cards and flowers. You gave me strength and support when I needed it. Thank you to the singers whose praises to God were so comforting. Thank you to the ladies for the delicious lunch you provided for my family. Thank you to everyone who helped lighten my load and soothe my heart at the time of Daddy's death.

Brenda Baker

**Bob Towler** will celebrate his 81st birthday June 26. His address is 312 Grand Avenue, Seneca.

We express our sincere sympathy to Wil Dabbs, Donnis Luck and their families on the passing of their sister, Marianna Blankenship. Visitation is Monday from 6 to 7 pm and the service is 10 am Tuesday at Clark Chapel of Memories.

Our sympathy also goes to the family of Howard Hopkins. Howard passed away Thursday.

## Encouragement and Counseling Ministry

Our journey through this world has many twists and turns. There are numerous challenges fraught with confusion, conflict and risk. In many cases, control issues have a tendency to develop and consume enormous amounts of our time and energy.

A person recently reported how they had turned down another person's attempt to escalate an issue. It wasn't that they did not have the ability to "set the record straight". It was in recognition that past attempts to clarify negative assumptions and assertions in similar circumstances had proven "costly" and unprofitable. There are times to engage and there are times to disengage.

Generally, resolution of serious control issues involves an openness and pursuit of truth. Bringing our lives and relationships into harmony with truth (God's will and purpose for us) actually is "What Works" and is a good use of our time. In the process we become increasingly more "Alive" and emotionally present.

Each of us needs to increase our creativity when acquiring and utilizing "soft answers that turn away wrath/conflict". Scriptures tell of how Jesus took His disciples to a quiet place. We need to have that peaceful place that we regularly visit. When life becomes increasingly hectic, make time for a brief retreat where spiritually "your soul is fed" and stress dissipates.

## Meals-on-Wheels

July is our month to deliver Meals on Wheels. We will be delivering meals July 8-July 31. This year there are five routes so we will need more teams than before. It takes about two hours to deliver the meals (10 am to 12 noon). Two volunteers are needed for each route. Sign up calendars are on tables in the family room. Beat the rush and sign up today. If you have questions, see Brent or Cheryl Marion.
