We want to welcome those visiting with us today. We are so happy you are here. You are our honored guests! We hope you experience the presence of God today.

How has God called you to serve in His Kingdom?

We have read many stories of ordinary people doing extraordinary things that have blessed His people and the nations around them. What was it that made these people so special? Was it their talents, their good looks, that they were born into wealth, or their amazing strength? Though some of them had strong attributes, there were other people alive that were just as blessed with similar qualities. The Bible declares over and over that they did great things because they chose to trust God as He called them!

How has God called you to be a blessing in His Kingdom? Tye

### Painting Project

We are painting the mansard (the metal roof edge) on the building June 7-8th (weather dependent). If you would like to help, please contact Tye (417) 658-9000. On Friday, June 7th, we will prepare the surfaces by power washing and scrubbing as needed from 8am-4pm. On Saturday, June 8th, we will paint. If you have a power washer, hoses, and painting supplies (rollers, trays and brushes) please bring them.

Today we will promote all of our children in Bible Class to their next grade level for the upcoming school year. For example: If your child is currently in 4th Grade, he/she will start attending the 5th Grade Bible Class starting June 2nd. We all promote on the same Sunday to keep things uniform across the Bible Classes

and Youth Programs.

As a way to celebrate this time of Bible Class promotion, we will be hosting a large Family Luau immediately following worship service this Sunday, June 2nd. Families of all ages are encouraged to attend this event! We will have a full luau feast with  roasted pig, interactive family activities, games, bounce houses, and some cool treats for all ages to enjoy. It will definitely be an event you won't want to miss! If you have questions, see Zac.
