**I AM THE WAY, TRUTH, & LIFE**

Jesus invites you to study and seek the truth of His claim. And, He invites us to talk about what we have learned.

In the book, *Under The Cover of Light*, Carole Avriett shares the amazing story of USAF Col. Thomas "Jerry" Curtis' 7.5 year captivity in North Vietnam. Col. Curtis was a rescue helicopter pilot during the Vietnam War who was captured early in the conflict. He had three loves in life before being captured: Jesus, his family, and flying planes and helicopters. His love of Jesus was known by all around him because he taught about Jesus at Church and with whoever would hear outside of Church.

The problem of captivity in Vietnam was that his jailers tried to take all three of his loves away. His prison cell was small and dirty, often keeping him in a type of solitary confinement. He was not allowed to send or receive letters with his family. And, he was not allowed to have a Bible.

The prisoners came up with a way of tapping sounds to communicate with fellow prisoners in other cells. They used it to warn each other of approaching problems with the guards. They tapped about their families and memories of home. And, they shared the word of God together though only a few had small portions of the Bible memorized. Jerry found that a large portion of God's Word was known in small bits between the memories of the prisoners. So, they shared scripture and trusted in Jesus, even celebrating communion together!

After a long time, they were saved from their imprisonment, an imprisonment that should have broken their will. They emerged as sane individuals who had hope that was shared together, because they shared about Jesus.

May we take Jesus' invitation to follow His Way and talk about what we have learned with hope and joy!
