Thank you for your enthusiasm and commitment to this work.

A Safety Concern

Many of our children have been running in the family room after services. We have many elderly members who fear being knocked down by children darting between people. We love our kids and want them to enjoy being at church. We also want our older people to feel safe here. Please explain this safety concern to your children and encourage them to go to the gym or playground if they want to run. A big thanks to parents for their special concern for the older members.
