Jesus said:

I am the bread of life; whoever comes to me will never hunger; and whoever believes in me will never thirst.

Kathy Reynolds is home following surgery last week. No visitors please. Donald Hess is dealing with some serious medical issues. Shirley Tice has been in the hospital for tests. Remember Wil Dabbs, Kathy McCracken, Lanette Ball, Quinton Platner, Shirley Obenshain, Dale Gray, Roger Zartman, Judy Roark, Brian Deckman, Garry Naylor, Donnis Luck, Nolan Edmondson, Ralph Cope, Helen Elder, Rachel Pyron, Don Johnston, and Bruce Bowers as they deal with ongoing health issues.

“And let me make it quite clear that when Christians say the Christ-life is in them, they do not mean simply something mental or moral,” he says. “When they speak of being ‘in Christ’ or of Christ being ‘in them’, this is not simply a way of saying that they are thinking about Christ or copying Him. They mean that Christ is actually operating through them; that the whole mass of Christians are the physical organism through which Christ acts—that we are His fingers and muscles, the cells of His body. And perhaps that explains one or two things. It explains why this new life is spread not only by purely mental acts like belief, but by bodily acts like baptism and Holy Communion. It is not merely the spreading of an idea; it is more like evolution—a biological or superbiological fact. There is no good trying to be more spiritual than God. God never meant man to be a purely spiritual creature. That is why He uses material things like bread and wine to put the new life into us. We may think this rather crude and unspiritual. God does not: He invented eating. He likes matter. He invented it.

At this time and after many prayers, we feel it is best to cancel God’s Country Fair for 2020. In lieu of our time of serving the community together, we would like to ask you to take this opportunity to support your community in this alternative manner.

Bright Futures for Neosho Schools is currently collecting school supplies through the beginning of the school year. The list below is a portion of the specific items needed. Please feel free to collect these items and place them in the foyer. We will be collecting through Sept. 27th.

- Composition notebooks
- 3 ring binders (white, 1 inch)
- Dry erase markers
- Elmer’s glue sticks
- Elmer’s school glue
- Zip Lock bags (gallon and quart)
- Notebook paper (wide lined)
- Fiskers pointless child size scissors
- Pocket folders (with or without brads)
- Plastic school boxes (5 x 8)
- Crayola crayons (24 count)

Along with these items, we will collect and donate our normal God’s Country Fair items of NEW underwear, NEW socks and also, NEW shoes, all of various sizes.

Thank you for your prayers and join us as we pray for the community, students and school staff members throughout the year but specifically as schools re-open through the time of God’s Country Fair, which is normally mid-September. God is good, all the time!

We will see you at the Fair in 2021!

Don't forget that every Sunday morning at 9:30am, we meet online through Zoom for Bible Class. I am excited! This week we are covering 1 Corinthians 14 and will be continuing our discussion about Spiritual Gifts. We will also have a time where I will show you some of my favorite youth group memes I've found the past two weeks. You won't want to miss it!

Looking ahead to September: there are a couple of things in the works that I am looking forward to - a possible day retreat and a couple of Thursday Night get-togethers. As soon as I get final approval, you'll see more information posted here.

I pray this week has gone well for you! Most everyone now has completed at least their first full week of school (for some this was week 3). I continue to pray for your health and safety, as well as everyone in your school district. May God bless everyone with good health. Zac
