Rod Whorton is in ICU following back surgery. He has been sitting and walking but is having reactions to pain meds. Dale Naden is home and doing better. Phyllis Collinsworth should be able to come home soon. Ginger Payne has been released from hospice care. Pray for our homebound, our widows and live-alones, those on our sick list and for all our brothers and sisters.

Thank You

Thank you so much for the prayers and concerns for me as I went through heart surgery. Soon I will begin cardio rehabilitation and will need your prayers throughout my therapy. Thank you to all who have helped me and prayed for me throughout my ordeal. Scott Cagle
