Seek First His Kingdom

Dallas Willard once said, “The greatest issue facing the world today, with all its heartbreaking needs, is whether those who, by profession or culture, are identified as Christians will become disciples – students, apprentices, practitioners – of Jesus Christ, steadily learning from Him how to live the life of the Kingdom of the Heavens into every corner of human existence.”

Matthew’s account of the Sermon on the Mount begins with the phrase, “And He opened His mouth and taught them, saying...” Jesus taught because He was a rabbi, a teacher who is master of what it is to live the good life. He taught because He understood what we need to learn.

As many sat down at His feet on the side of the mount to hear wisdom about living life well, may we continue to sit at the feet of the Teacher and learn “how to live the life of the Kingdom of the Heavens” in every corner of our existence.

Patsy Meyer will celebrate her 82nd birthday September 7th. Her address is 14145 Bethel Road, Seneca, MO 64865. Happy Birthday, Patsy!

At this time and after many prayers, we feel it is best to cancel God’s Country Fair for 2020. In lieu of our time of serving the community together, we would like to ask you to take this opportunity to support your community in this alternative manner.

September Memory Verse

"I praise You because You made me in an amazing and wonderful way."

Psalm 139:14

Don't forget

When you have this verse memorized, you can come up and say it to Laura Stipp, Renee Lewis, Megan Ryan or Theresa Widener for a little treat!

Schedule:

September 13

Lesson: Creation, God Made Adam and Eve
Teacher: Patty Lett
Helpers: Rachel Pyron, Lane Pyron

September 20

Lesson: Creation, God Made My Senses
Teacher: Laura Stipp
Helpers: Theresa Widener, Anica Paic

We understand during this time if you are unable to teach, do not feel comfortable doing so, or would just temporarily like to hold off on teaching or helping. If you feel this way, please let Laura Stipp know as soon as possible so we can find someone to fill your spot. That being said, there is still a great need for people who are willing to teach. Teachers usually teach 3-4 lessons per year and we have folders available with activities for each lesson. We would love to have you help!
